

ELECTRIC FIREBOXES

Endless Opportunities. Perfect Comfort.

Dimplex[®]

BLF Series

Features

Flame

A blend of technology, artistry and craftsmanship – the patented Dimplex LED flame technology creates the illusion of a true fire.

Viewing Area

Enjoy the panoramic flame through the industry's largest viewing area.

Media Bed

Tumbled glass ember bed pieces that are colored and silvered on one side for an alluring effect.

Supplemental Heat

Includes a powerful fan-forced heater designed to keep the rooms you spend the most time in warm and comfortable.

Remote

Includes a convenient remote control.

Seamless Installation

Can be recessed with direct-wire for a seamless look, or simply hung on the wall.

Warranty

2-year limited warranty.

BLF34

120 Volts | 1,220 Watts | 4,163 BTU
34¹/₄" x 19¹/₂" x 7" (WxHxD)
86.7 cm x 49.5 cm x 17.8 cm

Beauty, simplicity and safety: it's a combination that makes Dimplex® fireboxes a great choice for any space.

Refined through 15 years of innovation, the patented Dimplex flame effect is the most authentic in the industry. While looking every bit as good as masonry fireplaces, Dimplex electric fireboxes provide unmatched flexibility and ease of installation as venting or gas lines are not required.

- A smart, practical and efficient zone heating solution, designed to warm up to 1,000 square feet.
- Choose from our wide selection of easy-to-install plug-in and direct-wired fireboxes.
- Can be installed in virtually any location.
- Several design options to choose from including cabinet surrounds, door and trim kits.

MultiFire XD™

Multi-Fire XD™ by Dimplex is the ultimate electric fireplace setting a new standard for realistic gas and wood flames, life-like logs and heating performance.

If change is good then the Multi-Fire XD™ by Dimplex offers something truly incredible. This dazzling next generation firebox can accurately reproduce a natural wood-burning fire, gas fireplace or a range of ambient light themes that range from moody and hypnotic, to pulsing and vibrant. Combined with a high-efficiency heating system and intuitive multi-function control options, this new design is the perfect look and feel for any space.
